fine teas

- brochure -

Tchai-Ovna is part of a
growing global community
of conscientious tea-lovers.

We direct-source from family
growers in Japan, sustainable
tea gardens in India, and
cooperatives of indigenous
people in Northern Vietnam.

Look out for the following labels on our products.

Faeries' Blood

Our bestselling herbal blend is naturally fruity, minty and sweet in flavour.

Courtesy of the tea faeries of the River Kelvin, this rich, blood-red elixir is full of magical goodness from their diet of strawberries, kiwi, mint, camomile, hibiscus and raspberry flowers.

Matcha

Our matcha can be enjoyed on its own, as a latte or even as a baking ingredient!

Produced by milling organic bancha into a fine powder, matcha tea is unique as the leaves are wholly ingested, maximizing its health benefits.
